Guest Speaker: Kimberly Neyland, owner of Welcome Home Printables.

Join us as we help prepare you for Rush with tips, tricks, and topics that may have you saying “that’s all Greek to me!” Along with an overview of the services that Welcome Home has to offer, featuring their custom sorority packets. Options include everything from personalized cover letters, social resumes and photo cards to graduation and senior party invitations and more.

“Rush” don’t walk! This is an event you don’t want to miss!

But until then, here are a few things you can be working on NOW!

*Register with Jackson Area Alumnae Panhellenic Association @

<http://www.jacksonpanhellenic.com/Personal-Information-Sheet.html>

*Clean up your social media accounts

*Watch your grades and finish the year strong!

*Start a list of alumnae that can help you with recommendation letters when that time comes. Also, remember to keep up with which sorority they are a member of.

*Start compiling your resume, and update as needed (include EVERYTHING you’ve participated in throughout your high school career, this is the one time it’s acceptable to “toot” your own horn!)
